- 11.1 In further consideration of IMU making the Services available to the Customer, the Customer grants to IMU a non-exclusive irrevocable perpetual licence to:
- 11.1.1 access, view and Manipulate Customer Data for the purpose of creating Manipulated Data and De-identified Data;
 - 11.1.2 store De-identified Data on its own computer systems; and
 - 11.1.3 distribute De-identified Data to employees, officers, and consultants of IMU and its Affiliates.
- 11.2 IMU shall own all Intellectual Property Rights in any Manipulated Data and De-identified Data and shall be free to use the Manipulated Data and De-identified Data for any purposes provided it shall not disclose to any third party any Manipulated Data which is not De-identified Data. The Customer shall, and shall use all reasonable endeavours to procure that any necessary third party shall, at IMU's cost, promptly execute such documents and perform such acts as may reasonably be required for the purpose of giving full effect to this clause 11.

12. THIRD PARTY PROVIDERS

- 12.1 The Customer acknowledges that the Services may enable or assist it to access the website content of, correspond with, and purchase products and services from, third parties via third-party websites and that it does so solely at its own risk. IMU makes no representation, warranty or commitment and shall have no liability or obligation whatsoever in relation to the content or use of, or correspondence with, any such third-party website, or any transactions completed, and any contract entered into by the Customer, with any such third party. Any contract entered into and any transaction completed via any third-party website is between the Customer and the relevant third party, and not IMU. IMU recommends that the Customer refers to the third party's website terms and conditions and privacy policy prior to using the relevant third-party website. IMU does not endorse or approve any third-party website nor the content of any of the third-party website made available via the Services.

13. IMU'S OBLIGATIONS

- 13.1 IMU undertakes that the Services will be performed substantially in accordance with the Documentation and with reasonable skill and care.
- 13.2 The undertaking at clause 13.1 shall not apply to the extent of any non-conformance which is caused by use of the Services contrary to IMU's instructions, or modification or alteration of the Services by any party other than IMU or IMU's duly authorised contractors or agents. If the Services do not conform with the foregoing undertaking, Supplier will, at its expense, use all reasonable commercial endeavours to correct any such non-conformance promptly, or provide the Customer with an alternative means of accomplishing the desired performance. Such correction or substitution constitutes the Customer's sole and exclusive remedy for any breach of the undertaking set out in clause 13.1. Notwithstanding the foregoing, IMU:
- 13.2.1 does not warrant that the Customer's use of the Services will be uninterrupted or error-free; or that the Services, Documentation and/or the information obtained by the Customer through the Services will meet the Customer's requirements; and
 - 13.2.2 is not responsible for any delays, delivery failures, or any other loss or damage resulting from the transfer of data over communications networks and facilities, including the internet, and the Customer acknowledges that the Services and Documentation may be subject to limitations, delays and other problems inherent in the use of such communications facilities.
- 13.3 IMU warrants that it has and will maintain all necessary licences, consents, and permissions necessary for the performance of its obligations under this Contract.
- 13.4 This Contract shall not prevent IMU from entering into similar agreements with third parties, or from independently developing, using, selling or licensing documentation, products and/or services which are similar to those provided under this Contract.

14. CUSTOMER'S OBLIGATIONS

- 14.1 In respect of the Services, the Customer shall:

- 14.1.1 provide IMU with:

 - (b) all necessary access to such information as may be required by IMU; in order to provide the Services, including but not limited to Customer Data, security access information and configuration services;
 - 14.1.2 without affecting its other obligations under this Contract, comply with all applicable laws and regulations with respect to its activities under this Contract;
 - 14.1.3 carry out all other Customer responsibilities set out in this Contract in a timely and efficient manner. In the event of any delays in the Customer's provision of such assistance as agreed by the parties, IMU may adjust any agreed timetable or delivery schedule as reasonably necessary;
 - 14.1.4 ensure that the Authorised Users (and anyone else it permits or allows to) use the Services and the Documentation in accordance with the terms and conditions of this Contract and shall be responsible for any Authorised User's breach of this Contract;
 - 14.1.5 obtain and shall maintain all necessary licences, consents, and permissions necessary for IMU, its contractors and agents to perform their obligations under this Contract, including without limitation the Services;
 - 14.1.6 comply with any notice issued by IMU regarding the Customer's use of the Services which is necessary or appropriate to ensure compliance with the terms of any Third-Party Licences;
 - 14.1.7 ensure that its network and systems comply with the relevant specifications provided by IMU from time to time; and
 - 14.1.8 be solely responsible for procuring and maintaining its network connections and telecommunications links from its systems to IMU's data centres, and all problems, conditions, delays, delivery failures and all other loss or damage arising from or relating to the Customer's network connections or telecommunications links or caused by the internet.
- 14.2 In respect of the Sensors, the Customer shall:
- 14.2.1 ensure that the Sensors are kept and operated in a suitable environment, used only for the purposes for which they are designed, and operated in a proper manner by trained competent staff in accordance with any operating instructions;
 - 14.2.2 take such steps (including compliance with all safety and usage instructions provided by IMU) as may be necessary to ensure, so far as reasonably practicable, that the Sensors are at all times safe and without risk to health when being set, used, cleaned or maintained by a person at work;
 - 14.2.3 maintain at its own expense the Sensors in good and substantial repair in order to keep them in as good an operating condition as they were on the date of Delivery;
 - 14.2.4 make no alteration to the Sensors and shall not remove any existing component(s) from the Sensors nor use the Sensors with any hardware or software unless this use has been expressly approved by IMU;
 - 14.2.5 reverse engineer or decompile any software embedded in the Sensors;
 - 14.2.6 not, without the prior written consent of IMU, part with control of, sell or offer for sale, underlet or lend the Sensors or allow the creation of any encumbrance in respect of them or suffer or permit the Sensors to be confiscated or seized or otherwise do or permit to be done any act or thing which will or may jeopardise the right, title and/or interest of IMU in the Sensors;
 - 14.2.7 not use the Sensors for any unlawful purpose; and
 - 14.2.8 deliver up the Sensors on or before the end of the Subscription Term or on earlier termination of this Contract at such address as IMU requires, or if necessary allow IMU or its representatives access to the premises where the Sensors are located for the purpose of removing the Sensors.
- 14.3 The Customer acknowledges that IMU shall not be responsible for any loss of or damage to the Sensors arising out of or in connection with any negligence, misuse, mishandling of the Sensors or otherwise caused by the Customer or its officers, employees, agents and contractors, and the Customer undertakes to indemnify on demand against the same, and against all losses, liabilities, claims, damages, costs or expenses of whatever nature otherwise arising out of or in connection with any failure by the Customer to comply with the terms of this Contract.

15. CHARGES AND PAYMENT

- 15.1 The Customer shall pay the following Subscription Fees to IMU in accordance with this clause 15:
- 15.1.1 for the User Subscriptions, fees calculated by reference to the number of Data Subjects on the basis set out in the Order;
 - 15.1.2 for the rental of the Sensors, the fees set out in the Order; and
 - 15.1.3 where specified in the Order, the support fees in accordance with clause 5.3.
- 15.2 The Customer shall on the Effective Date provide to IMU approved purchase order information acceptable to IMU and any other relevant valid, up-to-date and complete contact and billing details, including the number of User Subscriptions, Data Subjects and Sensors.
- 15.3 If the Customer provides its approved purchase order information to IMU, IMU shall invoice the Customer:
- 15.3.1 on the Effective Date for the Subscription Fees payable in respect of the Initial Subscription Term;

- 15.4 Subject to clause 15.5, the Customer may, at least 30 days prior to each anniversary of the Effective Date:
- 15.4.1 notify IMU of any changes in the number of User Subscriptions and Data Subjects for the following Renewal Period and the Subscription Fees shall be adjusted accordingly;
 - 15.4.2 return any Sensors to IMU for the following Renewal Period and the Subscription Fees shall be adjusted accordingly.
- 15.5 If the Customer uses the Services for Data Subjects in excess of the number requested pursuant to clause or clause 15.4 and such number would incur different Subscription Fees pursuant to the Order, IMU shall invoice the Customer for the difference between the Subscription Fees already paid and Subscription Fees payable for that number of Data Subjects, pro-rated from the date upon which such Data Subjects were added for the remainder of the Initial Subscription Term or the then current Renewal Period (as applicable). The Customer shall pay each invoice within 30 days after the date of such invoice. The Customer is not entitled to a refund of Subscription Fees if the number of Data Subjects or Sensors is reduced during the Initial Subscription Term or a Renewal Period (as applicable).
- 15.6 If IMU has not received payment within 30 days after the due date, and without prejudice to any other rights and remedies of IMU:
- 15.6.1 IMU may, without liability to the Customer, disable the Customer's password, account and access to all or part of the Services and IMU shall be under no obligation to provide any or all of the Services while the invoice(s) concerned remain unpaid; and
 - 15.6.2 interest shall accrue on a daily basis on such due amounts at an annual rate equal to 3% over the then current base lending rate of National Westminster Bank (NatWest) from time to time, commencing on the due date and continuing until fully paid, whether before or after judgment.
- 15.7 All amounts and fees stated or referred to in this Contract:
- 15.7.1 shall be payable in the currency specified in the Order;
 - 15.7.2 are, subject to clause 20.7.2, non-cancellable and non-refundable;
 - 15.7.3 are exclusive of value added tax, which shall be added to IMU's invoice(s) at the appropriate rate.
- 15.8 IMU shall be entitled to increase the Subscription Fees and the support fees payable pursuant to clause 5.3 at the start of each Renewal Period upon 120 days' prior notice to the Customer and the Order shall be deemed to have been amended accordingly.

16. PROPRIETARY RIGHTS

- 16.1 The Customer acknowledges and agrees that IMU and/or its licensors own all Intellectual Property Rights in the Services and the Documentation. Except as expressly stated herein, this Contract does not grant the Customer any rights or licences in respect of the Services or the Documentation.
- 16.2 IMU confirms that it has all the rights in relation to the Services and the Documentation that are necessary to grant all the rights it purports to grant under, and in accordance with, the terms of this Contract.
- 16.3 IMU (and its licensors) reserve and retain full ownership of and interest in all inventions, designs, copyrights, processes and any other Intellectual Property Rights of whatever nature relevant to the Sensors. The Intellectual Property Rights in all drawings, specifications and manuals created or issued by or on behalf of IMU belong to IMU (or its licensors) and are considered by IMU to be confidential. The Customer may not reproduce or disclose these drawings, specifications and manuals to anyone without IMU's prior written consent. This obligation of confidentiality shall remain in force in perpetuity.

17. LIMITED WARRANTIES

- 17.1 Subject to clause 19.4 and the remainder of this clause 17, IMU warrants that the Sensors shall, during the Warranty Period (unless an alternative period is agreed in writing between the parties) be free from material defects in design, materials and workmanship under normal conditions of use. In these Terms, the "**Warranty Period**" shall be the 12 month period commencing on Delivery.
- 17.2 If the warranty in clause 17.1 is breached, the Customer will notify IMU in writing as soon as is reasonably possible giving sufficient information as to the nature and extent of the breach and (where relevant) the uses to which the Sensors have been put prior to the problem arising. The Customer must give IMU a reasonable time to fix the problem and (if necessary) to repair or replace the relevant Sensors (together a "**Remedy**"). This will be done without any additional charge to the Customer, except that IMU may require the Customer to return the Sensors, at its own expense to IMU's premises (or such other address as nominated by IMU) with a full description of the alleged defect which is causing the breach. This shall be IMU's sole responsibility and Customer's sole remedy in the event of breach of the warranties in clause 17.1.
- 17.3 Where a Sensor is replaced by IMU in accordance with this clause, these Terms (including the warranties in clause 17.1) shall apply to the new Sensor (including any parts).
- 17.4 Except as expressly set out in these Terms, no conditions, warranties or other terms apply to the Sensors or any other goods or services supplied or to be supplied by IMU. Subject to clause 20.6, no implied conditions, warranties or other terms apply (including any implied terms as to quality, fitness for purpose or conformance with description). Customer is responsible for deciding whether or not the Sensors and the Services are suitable for the Customer's purpose and IMU will not be responsible for this.
- 17.5 In relation to the Software and any App, IMU does not represent or warrant that the Software or the App or its operation will be entirely free from errors.
- 17.6 If IMU carries out any repair or replacement to a Sensor as specified in clause 17.2 but in circumstances where the relevant defect or malfunction has been caused by an accident, by the improper or abnormal use of the Sensor by the Customer, or for one of the reasons that IMU is not responsible under clause 19.4 or otherwise, the Customer shall pay for such repair or replacement at IMU's then current rates, within 30 days of IMU issuing an invoice for that work.

18. CONFIDENTIALITY AND ANNOUNCEMENTS

- 18.1 References in this clause 18 to IMU's Confidential Information shall be deemed to include IMU's Affiliates' Confidential Information.

- 18.2 Each party may be given access to Confidential Information from the other party in order to perform its obligations under this Contract. A party's Confidential Information shall not be deemed to include information that:
- 18.2.1 is or becomes publicly known other than through any act or omission of the receiving party;
 - 18.2.2 was in the other party's lawful possession before the disclosure;
 - 18.2.3 is lawfully disclosed to the receiving party by a third party without restriction on disclosure; or
 - 18.2.4 is independently developed by the receiving party, which independent development can be shown by written evidence.
- 18.3 Subject to clause 18.5, each party shall hold the other's Confidential Information in confidence and not make the other's Confidential Information available to any third party, or use the other's Confidential Information for any purpose other than the implementation of this Contract.
- 18.4 Each party shall take all reasonable steps to ensure that the other's Confidential Information to which it has access is not disclosed or distributed by its employees or agents in violation of the terms of this Contract.
- 18.5 A party may disclose Confidential Information to the extent such Confidential Information is required to be disclosed by law, by any governmental or other regulatory authority or by a court or other authority of competent jurisdiction, provided that, to the extent it is legally permitted to do so, it gives the other party as much notice of such disclosure as possible and, where notice of disclosure is not prohibited and is given in accordance with this clause 18.5, it takes into account the reasonable requests of the other party in relation to the content of such disclosure.
- 18.6 Neither party shall be responsible for any loss, destruction, alteration or disclosure of Confidential Information caused by any third party.
- 18.7 The Customer acknowledges that details of the Services, and the results of any performance tests of the Services, constitute IMU's Confidential Information.
- 18.8 IMU acknowledges that the Customer Data is the Confidential Information of the Customer.
- 18.9 No party shall make, or permit any person to make, any public announcement concerning this Contract without the prior written consent of the other party (such consent not to be unreasonably withheld or delayed), except as required by law, any governmental or regulatory authority (including, without limitation, any relevant securities exchange), any court or other authority of competent jurisdiction.
- 18.10 The above provisions of this clause 18 shall survive termination of this Contract, however arising.

19. INDEMNITY

- 19.1 The Customer shall defend, indemnify and hold harmless IMU against claims, actions, proceedings, losses, damages, expenses and costs (including without limitation court costs and reasonable legal fees) arising out of or in connection with the Customer's use of the Services, the Sensors, the Software or the Documentation, provided that:
- 19.1.1 the Customer is given prompt notice of any such claim;
 - 19.1.2 IMU provides reasonable co-operation to the Customer in the defence and settlement of such claim, at the Customer's expense; and
 - 19.1.3 the Customer is given sole authority to defend or settle the claim.
- 19.2 IMU shall defend the Customer, its officers, directors and employees against any claim that the Services, the Sensors, the Software or the Documentation infringes any patent effective as of the Effective Date, copyright, trade mark, database right or right of confidentiality, and shall indemnify the Customer for any amounts awarded against the Customer in judgment or settlement of such claims, provided that the Customer:
- 19.2.1 at IMU's request and expense, allows IMU to conduct the defence of the claim (including settlement);

- 19.2.2 makes no admission in relation to the claim without the prior consent of IMU;
 - 19.2.3 notifies IMU as soon as is reasonably practicable of the claim setting out full details thereof;
 - 19.2.4 takes all reasonable steps to minimise the losses that may be incurred by it or by any third party as a result of the claim; and
 - 19.2.5 at the expense of IMU, co-operates and assists to a reasonable extent with IMU's defence of the claim.
- 19.3 In the defence or settlement of any claim, IMU may procure the right for the Customer to continue using the Services and the Sensors, replace or modify the Services or the Sensors so that they become non-infringing or, if such remedies are not reasonably available, terminate this Contract on 2 Business Days' notice to the Customer without any additional liability or obligation to pay liquidated damages or other additional costs to the Customer.
- 19.4 In no event shall IMU, its employees, agents and sub-contractors be liable to the Customer to the extent that the alleged infringement is based on the Customer (or anyone the Customer permits to do use the Services or the Sensors):
- 19.4.1 modifying, altering, adapting, disassembling or reverse engineering the Services, the Sensors or the Documentation without the consent of IMU;
 - 19.4.2 using of the Services, the Sensors or the Documentation in a manner contrary to the instructions given to the Customer by IMU;
 - 19.4.3 failing to use items which update the Sensors, the use of which would have avoided the infringement;
 - 19.4.4 failing to comply with the terms of any end user licence agreement in respect of the Software or the App;
 - 19.4.5 relying on information, specifications, documents, facilities or items supplied by the Customer to IMU;
 - 19.4.6 using the Services, the Sensors or the Documentation after notice of the alleged or actual infringement from IMU or any appropriate authority.
- and the Customer shall indemnify IMU against all losses, damages, liability, costs and expenses (including reasonable legal fees) incurred by IMU in connection with any claim arising from such circumstances.
- 19.5 Notwithstanding any other provision in this Contract, clause 19.2 shall not apply to the extent that any claim or action referred to in that clause arises directly or indirectly through the use of any Open-Source Software incorporated into the Software or through the breach of any Third-Party Licence relating to any Open-Source Software so incorporated.
- 19.6 The foregoing and clause 20.7.2 state the Customer's sole and exclusive rights and remedies, and IMU's (including IMU's employees', agents' and sub-contractors') entire obligations and liability, for infringement of any patent, copyright, trade mark, database right or right of confidentiality.

20. LIMITATION OF LIABILITY

- 20.1 The Customer acknowledges and accepts that the Services and the Sensors are not intended to replace the clinical skill of a medical or sports practitioner or his/her independent professional judgement of individual clinical circumstances to make a diagnosis and/or determine treatment. The Sensors and the Services should only be used by those who have been appropriately trained in its operation, functions, capabilities and limitations, and in any event should not be relied upon, by itself, as the sole method of making any diagnosis or determining any treatment.
- 20.2 Except as expressly and specifically provided in this Contract:
- 20.2.1 the Customer assumes sole responsibility for the selection of the Services and the Sensors and for the results obtained from the use of the Services, the Sensors and the Documentation by the Customer, and for conclusions drawn from such use. IMU shall have no liability for any damage caused by errors or omissions in any information, instructions or scripts provided to IMU by the Customer in connection with the Services, or any actions taken by IMU at the Customer's direction;

- 20.2.2 all warranties, representations, conditions and all other terms of any kind whatsoever implied by statute or common law are, to the fullest extent permitted by applicable law, excluded from this Contract;

- 20.4 The Customer acknowledges that:
 - 20.4.1 IMU is not responsible for any delays, delivery failures or any other loss or damage resulting from the transfer of data over communications networks and facilities, including the internet, and the Customer acknowledges that the Services and Documentation may be subject to limitations, delays and other problems inherent in the use of such communications facilities; and
 - 20.4.2 electronic databases are subject to errors, tampering and break-ins. While IMU agrees to take reasonable security precautions to avoid such occurrences, it does not guarantee or warrant that such events will not take place.
- 20.5 Any Open-Source Software provided by IMU may be used according to the terms and conditions of the specific licence under which the relevant Open-Source Software is distributed, but is provided "as is" and expressly subject to the disclaimer in clause 20.2.2.
- 20.6 Nothing in this Contract shall limit or exclude a party's liability for:
 - 20.6.1 death or personal injury caused by that party's negligence or the negligence of one of its employees, agents or subcontractors; or
 - 20.6.2 fraud or fraudulent misrepresentation;
 - 20.6.3 any liability which cannot under applicable law be excluded or limited by agreement.
- 20.7 Subject to clause 20.2 and clause 20.6:
 - 20.7.1 IMU shall not be liable, whether in tort (including for negligence or breach of statutory duty), contract, misrepresentation, restitution or otherwise, for:

 - (ii) loss of customers or contracts;
 - (iii) loss of business or business opportunity;

 - (b) any special, indirect or consequential loss, costs, damages, charges or expenses which may be suffered by the Customer however arising under this Contract; and
 - 20.7.2 IMU's total aggregate liability in contract (including in respect of any indemnity including the indemnity at clause 19.2), tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of this Contract shall be limited to the total Subscription Fees paid for the User Subscriptions and the Sensors during the 12 months immediately preceding the date on which the claim arose.
- 20.8 IMU will not be liable for breach of any of these Terms (including breach of any warranty) to the extent that the breach concerned arises from or as a consequence of:
 - 20.8.1 use of the Sensors other than in accordance with normal operating procedures as described in the manuals or as otherwise notified to the Customer by IMU;
 - 20.8.2 any alterations to any Sensors made by anyone other than IMU or someone authorised by IMU;
 - 20.8.3 any abnormal or incorrect operating conditions;

- 20.8.4 any other hardware, equipment or software being used with or in relation to any Sensors, unless this use has been expressly approved by IMU;

 - 20.8.6 the Customer using the Sensors after notifying IMU that they do not comply with the warranties contained in clause 17.1.
- 20.9 All dates supplied by IMU to the Customer shall be treated as approximate only. IMU shall not in any circumstances be liable for any loss or damage arising from any delay in delivery beyond such approximate dates.
- 20.10 All references to IMU in this clause 20 shall, for the purposes of this clause and clause 32 only, be treated as including all employees, subcontractors and suppliers of IMU and its Affiliates, all of whom shall have the benefit of the exclusions and limitations of liability set out in this clause, in accordance with clause 32.
- 20.11 This clause 20 shall survive termination of this Contract.

21. TERM AND TERMINATION

- 21.1 This Contract shall, unless otherwise terminated as provided in this clause 21, commence on the Effective Date and shall continue for the Initial Subscription Term and, thereafter, this Contract shall be automatically renewed for successive periods of 12 months (each a **"Renewal Period"**), unless:
- 21.1.1 either party notifies the other party of termination, in writing, at least 90 days before the end of the Initial Subscription Term or any Renewal Period, in which case this Contract shall terminate upon the expiry of the applicable Initial Subscription Term or Renewal Period; or
 - 21.1.2 otherwise terminated in accordance with the provisions of this Contract; and the Initial Subscription Term together with any subsequent Renewal Periods shall constitute the **"Subscription Term"**.
- 21.2 Without affecting any other right or remedy available to it, either party may terminate this Contract with immediate effect by giving written notice to the other party if:
- 21.2.1 the other party fails to pay any amount due under this Contract on the due date for payment and remains in default not less than 14 days after being notified in writing to make such payment;
 - 21.2.2 the other party commits a material breach of any other term of this Contract which breach is irremediable or (if such breach is remediable) fails to remedy that breach within a period of 14 days after being notified in writing to do so;

 - 21.2.4 an Insolvency Event occurs in relation to the other party;
 - 21.2.5 the other party suspends or ceases, or threatens to suspend or cease, carrying on all or a substantial part of its business; or

22. CONSEQUENCES OF TERMINATION

- 22.1 On termination of this Contract for any reason:
- 22.1.1 the Customer shall immediately pay to IMU any sums due to IMU under this Contract but, for the avoidance of doubt, IMU shall not be under any obligation to repay or refund any sums paid in advance;
 - 22.1.2 all licences granted under this Contract shall immediately terminate and the Customer shall immediately cease all use of the Services, the Sensors and/or the Documentation;
 - 22.1.3 the Customer shall (at its own cost) return all Sensors to IMU as soon as reasonably practicable (and in any event, within [10] days) following the effective date of termination of the Contract;
 - 22.1.4 each party shall return and make no further use of any other equipment, property, Documentation and other items (and all copies of them) belonging to the other party;

- 22.1.5 notwithstanding the above, IMU may destroy or otherwise dispose of any of the Customer Data in its possession in accordance with clause 10.5.9 unless IMU receives, no later than ten days after the effective date of the termination of this Contract, a written request for the delivery to the Customer of the then most recent back-up of the Customer Data. IMU shall use reasonable commercial endeavours to deliver the back-up to the Customer within 30 days of its receipt of such a written request, provided that the Customer has, at that time, paid all fees and charges outstanding at and resulting from termination (whether or not due at the date of termination). The Customer shall pay all reasonable expenses incurred by IMU in returning or disposing of Customer Data;
- 22.1.6 any rights, remedies, obligations or liabilities of the parties that have accrued up to the date of termination, including the right to claim damages in respect of any breach of this Contract which existed at or before the date of termination shall not be affected or prejudiced; and

- (a) clause 1 (Definitions and Interpretation);
 - (b) clause 18 (Confidentiality);
 - (c) clause 20 (Limitations on Liability);
 - (d) clause 22 (Consequences of Termination); and
 - (e) clause 34 (Governing Law and Jurisdiction),
- and any other provision expressed to survive termination.

23. MARKETING AND ADVERTISING

- 23.1 The Customer grants to IMU a non-exclusive irrevocable and perpetual licence to use the Customer's name (or business/trading name) and logo in IMU's marketing and promotional materials (including on its website).

24. FORCE MAJEURE

- 24.1 IMU shall have no liability to the Customer under this Contract if it is prevented from or delayed in performing its obligations under this Contract, or from carrying on its business, by acts, events, omissions or accidents beyond its reasonable control, including, without limitation, strikes, lock-outs or other industrial disputes (whether involving the workforce of IMU or any other party), failure of a utility service or transport or telecommunications network, act of God, war, riot, civil commotion, malicious damage, compliance with any law or governmental order, rule, regulation or direction, accident, breakdown of plant or machinery, fire, flood, storm or default of suppliers or sub-contractors, provided that the Customer is notified of such an event and its expected duration.

26. WAIVER

- 26.1 A waiver of any right or remedy under this Contract or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default.
- 26.2 A failure or delay by a party to exercise any right or remedy provided under this Contract or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under this Contract or by law shall prevent or restrict the further exercise of that or any other right or remedy.
- 26.3 A party that waives a right or remedy provided under this Contract or by law in relation to one party, or takes or fails to take any action against that party, does not affect its rights in relation to any other party.

27. RIGHTS AND REMEDIES

- 27.1 Except as expressly provided in this Contract, the rights and remedies provided under this Contract are in addition to, and not exclusive of, any rights or remedies provided by law.

- 27.2 The Customer recognises that any breach or threatened breach of these Terms may cause IMU irreparable harm for which damages may not be an adequate remedy. Accordingly, in addition to any other remedies and damages available to IMU, the Customer acknowledges and agrees that IMU is entitled to the remedies of specific performance, injunction and other equitable relief without proof of special damages.

28. SEVERANCE

- 28.1 If any provision or part-provision of this Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this Contract.
- 28.2 If any provision or part-provision of this Contract is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

29. ENTIRE AGREEMENT

- 29.1 A Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.
- 29.2 Each party acknowledges that in entering into this Contract it does not rely on, and shall have no remedies in respect of, any statement, representation, assurance or warranty (whether written or oral and whether made innocently or negligently) that is not set out in this Contract.
- 29.3 Each party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in this Contract.
- 29.4 Nothing in this clause shall limit or exclude any liability for fraud.

30. ASSIGNMENT AND OTHER DEALINGS

- 30.1 The Customer shall not, without the prior written consent of IMU, assign, transfer, charge, sub-contract or deal in any other manner with all or any of its rights or obligations under this Contract.
- 30.2 IMU may at any time assign, transfer, charge, sub-contract or deal in any other manner with all or any of its rights or obligations under this Contract.

31. NO PARTNERSHIP OR AGENCY

- 31.1 Nothing in a Contract is intended to or shall operate to create or establish a partnership or joint venture between the parties, or authorise either party to act as the agent for the other, and neither party shall have the authority to act in the name or on behalf of or otherwise make or enter into any commitments or bind the other in any way (including, but not limited to, the making of any representation or warranty, the assumption of any obligation or liability and the exercise of any right or power).
- 31.2 Each party confirms it is acting on its own behalf and not for the benefit of any other person.

32. THIRD PARTY RIGHTS

- 32.1 IMU and the entities referred to in clause 20.10 may enforce the terms of clause 20 subject to and in accordance with this clause 32, these Terms and the Contracts (Rights of Third Parties) Act 1999.
- 32.2 It is agreed that it is intended to confer a benefit on IMU and its Affiliates by making the exclusions and limitations of liability available to them in accordance with these Terms, provided that the rights of such Affiliates under these Terms shall only be enforceable by IMU on their behalf. IMU will owe no duty to them to enforce such rights and it may conduct

or compromise any relevant proceedings as it sees fit.

32.3 Except as provided in this clause 32, a person who is not a party to this Contract shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Contract, but this does not affect any right or remedy of a third party which exists, or is available, apart from that Act.

32.4 The rights of the parties to terminate, rescind or agree any variation, waiver or settlement under this Contract is not subject to the consent of any person that is not a party to this Contract.

Nothing in this clause shall limit the right of IMU to take proceedings against the Customer in any other court of competent jurisdiction, nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not, to the extent permitted by the law of such other jurisdiction.
